RE: UMass Educational Institute

DATE: July 10, 2002

We have received an excellent response to our upcoming UMass Educational Institute (July 28th – 31st) and look forward to seeing many Board members and administrators at that event. The program covers a wide variety of important topics related to the management of our pension systems. Not only will the formal sessions provide a fulfilling and relevant experience, in addition, PERAC staff members will be available throughout to discuss issues or concerns that you may have on a less formal basis.

For those of you who have not yet registered for the Institute, we urge you to do so as soon as possible as space is going fast and we must provide UMass with information regarding the number of participants by July 12th.

If you have any questions or need assistance please contact Lindsay Deaver at (617) 666-4446 ext.937.
